

Employee Mini Grant Program

The Hudson Bay Way Foundation has created a Mini Grant Program specifically for organizations that the children of Hudson Bay Insulation Company employees participate in. Promoting education and wellness opportunities for children is a primary function of The Hudson Bay Way Foundation (THBWF), therefore by supporting the school, sports team and extracurricular activities of our employees' children we hope to encourage participation.

For 2019, the Foundation will offer a total of 10 Mini Grants, each in the amount of \$0 to \$250. Applications will be accepted throughout the year to encompass activities as they change seasons. Information will be distributed to employees through the Company newsletter, on the website and through flyers to ensure that all employees receive the opportunity to participate. Applications will be accepted on a first come, first served basis. Awards will be made at the discretion of the Board.
